

Join the PGS Group today & be part of our dynamic team!

As an employee within the PGS team, you will join a fast-growing company with a family atmosphere, but still within an international environment. We offer interesting training courses and opportunities to develop yourself further.

As a Procurement-Operations Data Analyst, you will be responsible for centralizing and optimizing data management within our operations control division. You strive for efficiency and higher productivity, with a focus on data quality and sustainable company values.

Procurement-Operations Data Analyst (M/F)

What responsibilities will you take on?

- ✓ Centralization of data management for Direct Procurement: analysis and cleaning of existing data, management and standardization of master data, registration of new codes.
- ✓ Optimisation and standardisation of cost price calculations within the group.
- ✓ Point of contact for colleagues from different departments (Procurement, Operations, HR, QSE, Sales, Orders).
- ✓ Collaborate with IT to ensure data quality and user-friendly reporting.
- ✓ Preparation of audit reports for Central Data Control and systematic random checks to validate data quality.
- ✓ Provide support in the management of the Indirect Procurement database.
- ✓ Analyzing the Operations planning and formulating production planning optimizations.
- ✓ Managing, analyzing, standardizing and delegating ad-hoc reports.

Who are we looking for?

- ✓ You have a Master's degree in economics.
- ✓ You have at least 4 years of experience as an analyst or data manager.
- ✓ You can analyze data sources and understand the processes.
- ✓ You have a keen ability to make connections between different data sources.
- ✓ You excel in interpersonal skills and easily build relationships with internal stakeholders.
- ✓ You know how to convert the needs of stakeholders into concrete data solutions.
- ✓ You have a hands-on approach and see the bigger picture.
- ✓ You work accurately and punctually.
- ✓ You are proactive, respectful and result-oriented.
- ✓ You have a positive and flexible attitude.
- ✓ You embrace the 'work hard, play hard' mentality.
- ✓ You can detect opportunities and set priorities.
- ✓ You have a very good knowledge of Dutch, English and French.
