PGS PADEL TOURNAMENT

11 September 2026 | Ostend Padel Club

CONCEPT

“Connecting through sport, making a difference together.”

On **Friday 11 September 2026**, PGS Group is organising a B2B padel tournament at the Ostend Padel Club. With 56 teams taking part, it promises to be an afternoon full of sport, networking and fun.

From 2 pm to 6 pm, companies will compete against each other in a three-tier tournament, tailored to both recreational and experienced players.

After the tournament, the event will seamlessly transition into an **after-work** gathering, featuring DJs, food trucks and an open after-party where everyone is welcome.

All proceeds from the event will go entirely to **KODA**, an initiative by Rotary Gistel vzw and managed by the King Baudouin Foundation. The fund supports projects that help children aged 0 to 14 living in poverty to fully participate in society and benefit from equal opportunities.

Together, we can truly make a difference.

If the above sponsorship packages are not the right fit for your company, but you would still like to contribute, you can also make a **donation to KODA**, starting from €100.

Donations can be made directly via the charity's website:
www.koda.be/steun-ons/.*

With your contribution, you help give children more opportunities and make a real difference where it truly matters.

*For proper follow-up, we kindly ask you to complete the sponsorship form included at the end of this brochure, indicating the amount of your donation.
